

HIGHLINE COLLEGE

STUDENT SERVICES OFFICE OF COMMUNITY STANDARDS AND STUDENT CONDUCT

Community Standards & Expectations

Students of Highline College community are expected to uphold the college's values and ethics necessary to maintain a positive campus environment, which includes health, safety and welfare of the campus community. To be active participants in the process of education, students will strive to adhere to the following expectations:

- Positive contributors to our community
- Conduct ourselves with civility
- Treating others with respect and dignity
- Values: Civic Leadership, Diversity, Inclusion, Social Justice, Wellness
- Open-minded and learning
- Academic Integrity

Equity and Student Development

The Student Conduct process is meant to be educational, grounded on values of student development and equity. As appropriate, it provides students a process to restore dignity and respect for themselves and their academic community.
